Friday, 21 June 2024

	Marriott		Convention Center		
	Ballroom A/B	Ballroom C	Ballroom E	Meeting Room 3	Meeting Room 6
1:00 PM		Crowdsourcing Conflict - Is Granny Gonna Fight?		The Fermi Paradox - The Silurian Hypothesis	
2:00 PM		Ethics in Science		Vesuvius	
3:00 PM				Space Update	
4:00 PM				Space After SpaceX	
5:00 PM					
6:00 PM			Near Future Conflict in Cislunar Space	Quirky Science Hits of 2023	
7:00 PM				Brave New Brain: Brain Computer Interfaces and AI	
8:00 PM		Building a Low-Tech Colony World		New Space, Possible Near Futures	
9:00 PM		UFOs: Beyond the Ridicule		The Worlds of Remote Sensing	
10:00 PM					

Sunday, 23 June 2024

	Marriott		Convention Center		
	Ballroom A/B	Ballroom C	Ballroom E	Meeting Room 3	Meeting Room 6
10:00 AM				Brain Science Fireside Chat	
11:00 AM					
12:00 PM				Warriors Are Dreamers, Too! Sci-Fi Contributions to Past, Present and Future Conflict....	
1:00 PM	Is OSINT the New SIPRNet?			The Application of Bayes Theorem (and Occam's Razor) When Dealing with Extraordinary Evidence	
2:00 PM				The Yellowstone Caldera - Should We Be Worried?	

STEM

Saturday, 22 June 2024

	Marriott		Convention Center		
	Ballroom A/B	Ballroom C	Ballroom E	Meeting Room 3	Meeting Room 6
10:00 AM				HollyWeird Science	
11:00 AM				Lessons From COVID 19	
12:00 PM				Off-Grid Power Systems	
1:00 PM				Science Responds to the Unexpected - Mt. St. Helens to Climate Change	
2:00 PM					
3:00 PM				Space Law and Property Rights	
4:00 PM					Technological Future of War
5:00 PM				Interstellar Research Group (IRG) Update	
6:00 PM				The Snarky Project Manager - A Dysfunctional View of Project Management	
7:00 PM		The Future of Kinetic Weapons		Water, Water Everywhere, but What Drops Can We Drink?	
8:00 PM	Tales from Mission Control / Space Operations - Round 2			Pancosmorio Theory	
9:00 PM		Submariners on Space Exploration			
10:00 PM		Predicting the Next Black Swan Event			
11:00 PM	Mad Scientist Guest of Honor Edition Roundtable (2 hours)
